Junior and Experienced Associates in Audit

A career within Audit services, will provide you with the opportunity to provide a range of Assurance services and business advice to a variety of clients from small, fast growing clients to large entities. Our clients are often well known brands and many have broad international reach. We focus on using the latest technology to reduce the level of manual testing ensuring you'll focus on the most valuable areas of client service and on enhancing corporate governance and the reliability of our clients' information.

As an Associate, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution.

Responsibilities:

- Deliver audit work in accordance with ISAs and report within deadlines;
- Establish effective professional relationships directly with clients;
- Contribute to the development of your own and team's technical acumen;
- Keep up to date with local and national business and economic issues to be able to deploy information collected on your daily job;
- Proactively pursue business development activities to expand service offering in the market;
- Develop your internal network of relationships and contacts within the PwC network.

Requirements:

- Bachelor/master degree, preferably in finance, accounting, economics, math, statistics or minor in econometrics;
- 1-3 years of similar experience;
- Professional accounting qualification such as ACCA or SCAAK is an advantage;
- Strong interpersonal, written and verbal communication skills;
- Excellent leadership skills;
- Demonstrate ability to build meaningful relationships;
- Analytical thinking and business acumen;
- Advanced computer literacy, advanced command of MS office package, especially Word and Excel;
- Advanced command of English language and grammatical skills in Albanian language;
