

# INTERN ACCOUNTANTS WANTED

## Who we are

Accounting House Victoria is a highly professional and dynamic company operating from its head office in Prishtina.

We have a unique position in the market as a service provider for diverse clients from many industries.

We support business to stay current on compliance issues and standardize processes through comprehensive sets of solutions for tax, accounting, audit and financial consulting.

We're looking for three intern accountants that might potentially be employed.

## Requirements

- Bachelor in Accounting (or university senior)
- Accounting Qualifications or student (Scaak is preferable)
- Ms Office
- Accounting Software knowledge is considered an advantage
- Fluency in English
- Good interpersonal and communication skills
