

Employment Opportunity: Senior Audit Associate

RLN Advisors and **Consultants** is a certified public accounting and advisory firm headquartered in New York City, serving clients from individuals to large corporations. We provide tax, consulting, financial advisory, and audit services with a focus on integrity, quality, and strategic value. Our goal is to build long-term partnerships through tailored, client-focused solutions. We offer a competitive salary with performance-based bonuses, comprehensive health coverage, professional development and certification support, a flexible, collaborative workplace, and regular team-building activities.

Key Responsibilities

- Lead and manage audit engagements from initial planning through finalization, ensuring timely completion, high-quality workpapers, and alignment with firm timelines.
- Manage and review the work of junior staff, providing coaching and performance feedback to promote growth and team efficiency.
- Execute complex audit procedures including risk assessment, walkthroughs, internal control testing, and substantive audit procedures for high-risk areas.
- Prepare and review financial statements, footnote disclosures, and audit reports in compliance with GAAP, GAS, Yellow book, and firm disclosure requirements.
- Identify control deficiencies, audit issues, and opportunities for process improvement and deliver practical, value-added recommendations to clients and engagement managers.
- Assist managers and partners with audit strategy development, engagement planning, staff allocation, and budget monitoring across multiple concurrent engagements.
- Contribute to internal training programs, participate in audit methodology updates, and support the integration of new audit tools and technology enhancements.
- Maintain technical expertise by staying current on accounting and auditing standards, industry-specific developments, and firm guidance; apply new standards to client situations effectively.

Qualifications:

- Bachelor's in Accounting, Finance, or related field
- 3+ years recent public accounting/audit experience
- SCAAK or ACCA certification (or progress toward certification)
- Strong knowledge of U.S. GAAP and auditing standards
- Proficiency in Microsoft Office & audit software
- Excellent analytical, communication, and multitasking skills
- Attention to detail, ability to manage multiple priorities
- Experience mentoring staff
